During probation, compensation shall be at a rate established by the Borough but within the salary range set forth in this Agreement. Compensation for a transferred employee shall be established by the Borough but shall not be less than the prior compensation paid to the transferred employee.

Section 3. The Borough shall first consider the transfer of a permanent employee or the hiring of a Borough resident, in that order, to fill vacancies, if it is practicable and in the best interest of the Borough and if the considered employee or resident is qualified to fill the vacancy. Seniority of permanent employees shall also be considered. Notwithstanding the above considerations, the Borough shall not be restricted in its hiring practices and the decision as to how a vacancy is filled is in the non-reviewable discretion of the Governing Body.

Section 4. Nothing in this Agreement shall prevent the Borough from temporarily assigning to any vacancy any person of the Borough's choosing pending the selection of a permanent employee for the position. The Borough agrees not to hire any temporary employee to fill a vacancy of a position covered by this Agreement for a period of more than 90 days.

Section 5. All probationary employees and all temporary employees may be required to undergo medical examinations and may be subject to investigation for fitness to perform duties as deemed necessary in the sole discretion of the Borough.

ARTICLE 13. HEALTH INSURANCE BENEFITS

Section 1. The Borough will provide each full time permanent employee covered by this Agreement with medical coverage under the New Jersey State Health Benefits Plan (NJSHBP) with built in Prescription Plan. Each eligible employee may elect any coverage offered by the NJSHBP. In the event the Borough, in its sole discretion, elects to change providers, the Borough shall provide eligible employees with coverage substantially similar to that provided by the NJSHBP New Jersey Plus (POS).

Due to the change in health care coverage the following provision is adopted.

A. For 2003 - A pool of funds shall be established for the purpose of reimbursing employees for health care costs which may be incurred in excess of the benefits which were available prior to January 1, 2003, and as a result of the change to the State Health Benefits Plan. The pool for 2003 shall be an amount equal to the number of full time employees covered by this agreement on January 1, 2003 multiplied by \$600.00. Payment of sums from the pool shall be made at the end of the year to employees seeking reimbursement for bona fide excess costs as set forth above. In the event that an employee submits requests for an amount greater than \$600.00, said request shall be honored if funds are available at the end of the year and to the extent funds are available. In the event funds are unused and available at the end of the year, said funds shall be carried forward to 2004. Requests for reimbursement shall be made no later than March 31 of the next year following the pool fund year to be eligible for reimbursement based on the prior year funding. Requests made after December 31 of the fund year shall be reimbursed under the conditions set forth above as soon as practicable following receipt by the Borough of the request.

B. For 2004 - The same formula established for 2003 shall be in effect for 2004 except that the pool of funds shall be an amount equal to the number of full time employees covered by this agreement on January 1, 2004 multiplied by \$400.00. Any unused funds shall be carried forward to 2005.

C. For 2005 - The same formula established for 2003 shall be in effect for 2005 except that the pool of funds shall be an amount equal to the number of full time employees covered by this agreement on January 1, 2005 multiplied by \$200.00. There shall be no carry forward of unused funds.

Section 2. The Borough shall pay only single coverage premiums, for employees hired on or after the date this Agreement is effective, for a period equal to the first three years of the employees employment. During said period, the employee may elect spousal, family or child coverage and the premium for said coverage shall be deducted from the employees pay.

Section 3. Employees who retire from the Borough after 30 years of service to the Borough, or who retire on permanent disability as defined by N.J.S.A. 40A:10-23, shall receive medical coverage as then currently provided to members of the Union. Retirees shall integrate medical coverage with Federal Medicare coverage as soon as available. Employees who retire from the Borough prior to 30 years of service to the Borough may elect to purchase medical

coverage as then provided by the Borough under such regulations and administration as may be instituted by the Borough and if permitted by the health care coverage provider. Failure to strictly abide by the Borough regulations and administration will result in the waiver of this provision by the Employee. Nothing in this provision relating to employees who retire prior to 30 years of Borough service shall be construed to mean that the Borough shall ever, at any time, be responsible for the payment or continuation of medical benefits for employees who retire prior to the completion of 30 years of service to the Borough.

Section 4. The Borough shall continue to provide each permanent full time employee covered by this Agreement with dental insurance. The current plan is the Delta Dental Insurance Plan. The Borough may, in its sole discretion, change plans and provide to the eligible employees substantially similar coverage.

Section 5. All part time employees shall be entitled to purchase medical and dental insurance as provided by the Borough to permanent full time employees at the premium rate charged to the Borough, subject to the approval of and pursuant to the regulations of the NJSHBP or the provider. The employee may elect this coverage by way of a Section 125 Plan. All premiums for any elected coverage shall be deducted from the part time pay of the employee. Any shortfall after deduction shall be paid to the Borough by the employee. Failure to pay premiums when due shall result in loss of coverage.

Section 6. If any permanent full time employee is covered by a health insurance policy other than the coverage afforded the employee by the Borough, the employee, upon presenting adequate proof of said coverage, which shall be presented at least once yearly or anytime at the request of the Borough, may elect to waive health benefits or to reduce coverage of benefits (i.e. family to single) and, in either case, shall be entitled to receive a stipend of 33% of the savings to the Borough for each month during which the employee has waived or reduced coverage. Said stipend shall be paid in equal monthly payments for each month during which the employee has waived or reduced coverage. A reduction shall be established based upon the coverage in effect on January 1, 2003 and, thereafter, based upon any new rates established by premium rate changes during the term of the agreement, or on the date of hire for employees hired after January 1, 2003, then reverting to the same procedure as set forth above after the initial premium year.

ARTICLE 14. ACCIDENTS AND SAFETY

Section 1. All accidents occurring while on the job must be reported as soon as possible to the Borough Administrator or Designee. All accidents shall be reported to the appropriate insurance carrier within the time prescribed by the insurance policy. The accident report form shall be prepared by the employee's Department Head. Non accident claims are not included in this provision.

Section 2. The Borough police department shall be called to the scene of any and all accidents involving a Borough vehicle. If an accident occurs outside of the Borough, the employee shall call the police department of the jurisdiction in which the accident occurred and/or the New Jersey State Police. The employee must further comply with all State motor

vehicle laws.

ARTICLE 15. CLOTHING ALLOWANCE

Section 1. The Animal Control Officer shall receive a clothing allowance for uniforms in the amount of \$375.00 which shall be paid by way of voucher. The employee shall wear such uniform as required by the Borough. The Borough shall contract with a cleaning service for the care of uniforms required by this contract. Such service shall be capped at \$250.00 per employee per year. The provision for uniform cleaning is not retroactive and shall be prospective from the date of contract ratification and shall be prorated for the first year in effect.
